

BV-Clean™

Complete Protection against
Bacteria and Viruses

**KILLS 99.9% VIRUSES
& BACTERIA***

**HELPS
ELIMINATE ODORS**

**APPLICABLE
TO ALL SURFACES***

What we touch connects us to the world allowing us to experience the big and small moments that make our life special. As we lead busier on the go lives, we increasingly rely on the screens we touch, making our days more hassle free. The more we engage with everyday surfaces the more we are exposed to infectious germs & viruses such as COVID-19. The germs & viruses we pick on the go comes with us everywhere. Without knowing we carry them everywhere, to the places we want to feel the safest: our homes, our schools, our hospitals. Modern life means we can't always choose where we touch and what we carry with us. But there is a smarter choice, a better way to protect our homes, Business Units and special places.

Mint Life Sciences (p) Ltd. is a research oriented pharmaceutical company which Manufactures, markets and export pharmaceutical products.

Our aim is to provide quality products with affordable prices to enhance overall quality of life by introducing a highly specialized range of disinfections and surface coatings for safe and hygienic living in workplace, public places, and homes.
